

**Alaska Wildland
Adventures**

**COVID-19 VACCINATION YOUTH TRAVELER
EXEMPTION & ACCOMMODATION FORM**

Due to the nature of the services we provide, which includes remote adventures where access to medical care is limited, travel in confined vehicles, and shared lodging facilities, Alaska Wildland Adventures, Inc. is requiring all Trip Participants to be fully vaccinated (as recognized by the Centers for Disease Control) for the COVID-19 virus.

As of fall 2021, youth travelers aged 4 and under are not yet candidates to receive an approved Covid-19 vaccine. Until the time the CDC approves vaccination for youth travelers under the age of 4, AWA will not require kids under the age of 4 to be fully vaccinated prior travel with us. However, any travelers exempt from vaccines must provide proof of negative Covid-19 test – taken within 72 hours of arrival in Alaska.

For families traveling with youth travelers, please check below if you will be traveling with at least one youth traveler ineligible for full vaccination:

I am traveling with youth(s) who are not yet eligible for vaccination due to age. I understand and agree any unvaccinated youth traveler will be required to provide a qualifying negative molecular based Covid-19 test taken within 72 hours of arrival. The youth traveler(s) in my party will provide proof of negative Covid-19 test.

I attest to the above information for:

 Youth Traveler Name

 Parent Signature

 Date

PLEASE COMPLETE AND RETURN FORM ASAP
